Dear ADMTEI Applicant,

Thank you for your interest in our Montessori Early Childhood Teacher Certification Program. We offer you a warm welcome. We are extremely pleased and encourage you as you begin an exciting career in the Montessori profession.

ADMTEI has been blessed with a successful and well renowned program in Adrian and we continue to be proud of the wonderful people that work with us and come to us for their Montessori education. As you look through our brochure, please take note of our exceptionally qualified faculty of Montessori professionals. It is important to point out that our faculty fully embraces the Montessori Educational Philosophy. We strive to create a nurturing and supportive environment that allows every adult learner to successfully reach his or her goals.

In order to ensure that adult learners receive the personal attention and individual assistance they require, each academic session offers a limited number of openings. We, therefore, encourage you to contact us at your earliest convenience, by phone or email, with any questions you may have.

In addition to your completed application form and fee, you must forward original and official transcripts from your highest academic degree earned (high school, college or graduate school) so that we may begin the necessary work to complete the enrollment process on your behalf.

We thank you again and look forward to working with you.

Sincerely,

Sister Leonor J. Esnard, OP, PhD
